University of Toronto

**Disclosures**

*Nothing to disclose*

**Bharath Ambale Venkatesh, PhD**

Johns Hopkins Medicine

**Disclosures**

*Research/Research Grants:*

*Myocardial Solutions*

In demonstration of the real-world inter-specialty collaboration that is fundamental to the field, the American Society of Clinical Oncology (ASCO) provided a planning committee member and faculty to present a joint session at this course. We are grateful for our partnership with ASCO and look forward to fostering this collaboration in the future as we each work to advance the field.
