## EXHIBIT TERMS AND CONDITIONS

**PLEASE READ THE FOLLOWING EXHIBIT TERMS AND CONDITIONS CAREFULLY AND PROVIDE A COPY TO YOUR COMPANY'S ONSITE EXHIBIT REPRESENTATIVE**

### **1. General Restrictions on Exhibits.**

- a. Arrangements for commercial exhibits or advertisements cannot influence planning or interfere with the presentation, nor can they be a condition of the provision of commercial support for the event.
- b. Advertisements and promotional materials cannot be displayed or distributed in the educational space immediately before, during, or after the event.
- c. Representatives of Exhibitor and other commercial supporters can attend the event at ACCF's discretion but cannot engage in sales or promotional activities while in the space or place of the continuing medical education ("CME") activity and must remove their company name badges while in the meeting room. When space and materials are limited, company representatives need to defer to non-commercial registrants and not attend the event. Exhibit fees are not considered commercial support and will not be acknowledged as educational grants.

**2. Exhibit Staffing** – All representatives of Exhibitor are expected to contribute to the professional environment of the event and must conduct themselves in a professional manner. ACCF reserves the right to make onsite judgments regarding any conduct that detracts from the professional environment of the CME activity and to take appropriate steps to curtail such conduct, if necessary.

**3. Product Sales** – A listing of ALL products and product types that may be offered for sale at Exhibitor's booth must be provided on the form included above. Any additions or changes to this list must be provided to the ACCF Exhibit Manager prior to the show.

**4. Hospitality Events** – Exhibits are allowed during hospitality events only if more than one company is exhibiting upon approval of ACCF.

**5. Social Events** – Social events or meals at the event cannot compete with or take precedence over the CME activity. Industry-sponsored social events must be approved by ACCF, even if the events are off-site and do not compete with the CME activity. All funds for social events must be administered by ACCF.

**6. Insurance** – Exhibiting Company must carry comprehensive general liability insurance, with combined single limits of not less than two million dollars (\$2,000,000.00). It is mutually agreed that ACCF and the event site shall not be liable to Exhibiting Company for any damage to or for the loss or destruction of exhibits or the property of Exhibiting Company or injuries resulting from any cause. Exhibitor expressly waives all claims for any such damage, loss, or injury.

**7. Indemnification** – Exhibitor agrees to protect, indemnify, and hold harmless the ACCF and its affiliates, and each of their respective directors, officers, agents, employees, and contractors, from any and all claims, liability, damages, or expense asserted against them or incurred by them as a result of, or in connection with, any loss of or damage to property, or injury to persons resulting from, arising out of or in any way connected with the acts or omissions or breach of the Exhibit Contract or rules by Exhibitor or its directors, officers, agents, employees, or contractors.

FEB. 14 - 16, 2025

- 8. Safety** – All exhibited material must comply with all applicable fire laws, insurance underwriter, and event site safety rules and regulations, and must be flameproof. All packing containers, excelsior, and similar materials are to be removed from the exhibit space upon completion of set-up. Exhibitor is restricted to materials that pass inspection. Exhibits cannot block aisles or fire exits.
- 9. Care of Building and Equipment** – Exhibitor and its representatives must not injure or deface the building's walls or floors with the exhibits' displays or equipment. Any and all damages, losses, expenses, and/or costs resulting from failure to observe this requirement shall be payable by the Exhibitor. Exhibitor is responsible for disposing of its own packing material waste, including empty boxes.
- 10. Services** – All electrical, telecommunications, and internet services must be provided exclusively by the event venue.
- 11. Cancellation by Exhibiting Company** – Exhibiting Company must send written notice of cancellation to ACCF. The date on which the notice is received is the official cancellation date. Cancellations sent via fax or emails are accepted. If the cancellation is received forty-five (45) or more days before the event start date, fifty percent (50%) of the contracted exhibit fee will be refunded and the remaining fifty percent (50%) will be retained by ACCF as a cancellation fee. If the cancellation is received less than forty-five (45) days before the event start date, one hundred percent (100%) of the contracted exhibit fee will be retained by ACCF as a cancellation fee. If Exhibitor fails to show up at the event, Exhibitor will be considered a "no-show," will be deemed to have cancelled the Exhibit Contract, and forfeit one hundred percent (100%) of the contracted exhibit fee as a cancellation fee. ACCF shall have the right to reassign such canceled space to another exhibiting company in its sole discretion without mitigation of any amounts forfeited by Exhibitor.
- 12. Cancellation by ACCF** – ACCF reserves the right to refuse exhibit space or close an exhibit for any reason, including but not limited to failure by Exhibitor to make payments when due or to comply with the terms and conditions set forth herein.
- 13. Force Majeure** – ACCF shall not be liable for any performance delay or failure, loss, or damage due to any event or series of events outside its reasonable control, including but not limited to, acts of God, fire, casualty, flood, epidemic or pandemic, earthquake, explosion, accident, blockage, embargo, inclement weather, act or threat of terrorism, riot or civil disturbance, strike, lockout, boycott or other labor disturbance, failure of a utility service, inability to secure necessary labor, technical or personnel failure, lack of or impaired transportation facilities, employer restrictions on non-essential travel, inability to obtain necessary supplies, equipment, or services, war, acts of civil or military authority, acts of regulatory or governmental authorities, or other similar circumstances making ACCF's performance impossible, illegal, or commercially impracticable in its sole discretion (each, a "Force Majeure Event"). If ACCF cancels the event, or any part thereof, due to a Force Majeure Event, as determined in its sole discretion, then ACCF may retain such part of the Exhibitor's fees as shall be required to recompense ACCF for expenses incurred up to the time of such cancellation, with no liability for either party to the contract. Exhibitor waives all claims for damages or recovery of payments made, except for the return of the amount paid for exhibit space less expenses incurred by ACCF.
- 14. Adherence to Exhibitor Terms and Conditions** – It is the responsibility of Exhibitor to distribute these Exhibit Terms and Conditions to all Exhibitor representatives attending the CME activity and/or working the exhibit space. Any representatives of Exhibitor who conduct themselves unethically or unprofessionally as determined by ACCF in its sole discretion or fails to comply with the Exhibit Terms and Conditions will be asked to remove Exhibitor's exhibit. No refund of the exhibit fee is made as a result of such action.
